### **MOBILE VET CENTER TO CONDUCT VETERANS' OUTREACH IN OKLAHOMA IN DECEMBER 2014**

During the month of December, 2014, Veterans in rural communities across the State of Oklahoma will have access to the Mobile Vet Center (MVC). Mobile Vet Centers are operated by the Department of Veterans Affairs' Readjustment Counseling Services; and are designed to provide nonmedical readjustment counseling and outreach to Veterans and their families by addressing the social and economic dimensions of post-war needs. Throughout December, MVCs will make stops as indicated below between the hours of 9:00 AM and 2:00 PM each day:

The City of Norman Parks and Recreation Department is proud to host this special event in cooperation with the Department of Veteran's Affairs Oklahoma City Vet Center.

Saturday, December 13, 2014 - 1000 168<sup>th</sup> N.E. - Norman- Little Axe Community Center

Mobile Vet Centers are among the VA's premier front-line resources designed to interact with Veterans in rural communities, at community events, and on special occasions. As an integral part of the Vet Center system, MVCs offer Veterans information on topics such as individual and group counseling, military sexual trauma, marital and family counseling, VA benefits, and community education.

Veterans and family members seeking information about the Vet Center or other Department of Veterans Affairs services can visit the Mobile Vet Center on a walk-in basis during this important state-wide outreach effort. The Vet Center looks forward to providing an opportunity to engage in face-to-face dialog with a VA representative within the local community.

At the foundation of the Vet Center Program is respect for the privacy of all Veterans and family members, by maintaining all information in the strictest confidence. Staff will not communicate or transfer any information to any third party or agency without written consent of the individual Veteran, except in circumstances when necessary to avert a crisis situation.

The Oklahoma City Vet Center is located at 1024 N.W. 47<sup>th</sup> Street, Suite B, Oklahoma City, Oklahoma 73118. For further information contact J.B. Hall, Sr., Team Leader or William Brown, Outreach Specialist at 405-456-5184.
